TOUR OF HOLLAND NON-EVENT

Invitations to the DAPS Second Annual April Non-Event were sent in March, 2010, with a planned Tour of Holland to see the fields of tulips, Dutch windmills, art museums and chocolate and Delft china factories that DID NOT take place! The funds generated by this clever invitation helped DAPS continue its thirty-one year tradition of providing FREE programs for those with Parkinson's disease and their families. DAPS wishes to thank all who contributed to this fine fundraiser.

HAPPY BIRTHDAY JEAN!

A birthday celebration was held at the June 21 Board Meeting for DAPS President, Jean Blomquist. Jean has been doing a terrific job of leading the Society and the Board was glad to honor her on her special day!

Sandi Pautler, Board member, surprised Jean with a beautiful Trifle Cake with strawberries, blueberries, cake, pudding and whipped cream which was enjoyed by all!

PARKINSON AWARENESS HONOREES

The Parkinson Awareness Luncheon held on Monday, April 12, 2010, was a fine event honoring four special DAPS Volunteers.

- **Mike Nemazie**—Volunteer of the Year for 2009 for his work in forming an Early Onset Parkinson program.
- **Don Shannon**—Above and Beyond Award for his work on the list for the Black Tie Fundraising Event and his commitment to the position of Treasurer.
- **Jann Horswell**—Special Appreciation Award for her gift to DAPS of always being available for any volunteer job.
- **Bindu Chacko**—Professional of the Year for the wonderful gift of her services to DAPS at no charge at the St. Luke Community UMC.

BOARD NEWS

DAPS acquired two new Board members in recent months—Don Shannon and Cindy Weatherall—and we are thrilled with these great additions! DAPS also lost a longtime Board Member, Barbara Bennett, who passed away on June 5, 2010. Barbara's mother had Parkinson's, and after she passed away Barbara remained on the Board for fifteen years! What a gift! She will truly be missed.

Please consider becoming a DAPS Board Member! Call the office for an application and more info.
